

Friendship. Community. Support.

Your Sisterhood membership makes so many wonderful things happen. Together, we support B'nai Jehudah and strengthen our collective voices through Women of Reform Judaism (WRJ). You will also benefit in many ways:

- Meet new people and make new friends
- Help those in need
- Learn ways to make your life easier and more meaningful
- Develop your leadership skills
- Receive a 10% discount in our gift shop
- It's also a lot of fun!

Our members range in age from young to young-at-heart. We provide exciting programming especially designed for women with children in religious school during Yalla! time. We also get together for Girls Night Out, Mah Jongg and so much more!

For more information, please email sisterhoodmembership@bnaijehudah.org. (If you are unable to pay sisterhood dues please request confidential financial assistance.)
