

Take advantage of this important opportunity to maximize your charitable impact.

Simplify Your Giving AND Support The Temple, Congregation B'nai Jehudah

A Donor Advised Fund at the Jewish Community Foundation is a charitable giving account that enables you to give smarter.

- Your Donor Advised Fund is easily created with a tax-deductible contribution of \$5,000 or more (\$2,500 if you're under age 35), in cash or stock.
- You can make gifts from your Fund to your favorite charities - local, national, Jewish AND secular. You can make gifts to charity right now or grow your Fund for future giving.
- **For a limited time only, the JCF will match one grant to B'nai Jehudah or an organization of your choice in an amount equal to 10% of your initial contribution (up to \$1,000).**
