

SHABBAT SERVICES

Coming on Friday nights and Saturday morning services to pray with our community is the best way to learn the prayers and the *minhag*, the customs, of our community. **You and your child are required to attend at least 6 Friday night and 6 Saturday morning Shabbat services at B'nai Jehudah during the 6 months prior to your assigned date.** This requirement can be accomplished by attending all of your classmates' Bet Mitzvah.

Please fill in the dates services are attended, initial in the appropriate places, and return to one of our rabbis when completed.
